

20 Grafton Street 2 July 1845

My dear Sir

As you were good enough  
to give me a copy of *Pabu't Gwylb* &  
I have since been able to procure a  
translation of the different Welsh  
speeches interspersed in it, I am  
inclined to think it might be acceptable  
to the members of your society to have  
a copy of the latter printed on a  
fly leaf to add at the end of the  
play. If so, I enclose mine for that  
purpose

I remain dear Sir

your obliged & faithful  
servant

J. P. Collier Esq

W. Williams
